Facilities offered by practice

Bedford Medical Clinic has been at its current location since October 2009, but operating in the local community since 1956 (most of the former years were worked at 1379 South Road, Bedford Park). Bedford is fully computerized using Zedmed Office and Zedmed Clinical. A treatment room, two theatres, nurse office and consulting room are available to compliment the doctor's work.

Weekly doctor lunch meetings are held each Wednesday to give opportunity for specialists and health professionals to visit and meet the doctors, and also to give opportunity for doctors to discuss clinical matters.
