### Location

Description of practice location	Located in the beautiful leafy township of Stirling in the Adelaide Hills
Health and medical information about the region	The practice sees a wide range of age groups and in middle to high socio-economic area. A high percentage of patients have private insurance
Practice type and size	Six doctors – 3 male and 3 female and 3 practice nurses. Special interests include paediatrics, minor surgery, and counseling and nutritional medicine. We are a well equipped progressive medical practice approaching our third accreditation. Sessions are 3.5 hours long with 3 doctors on average working each session. A treatment room includes equipment for excisions, suturing, cryotherapy and plastering.

### Clinic Services

Clinic hours	Mon – Fri 8.00 – 18.00 Sat – 9.00 – 12.00
Are home visits provided?	Yes
Is an after-hours/weekend service provided?	Yes limited and shared with GP Care Mt Barker
If no, is a locum service provided?	Yes/No
Is hospital in-patient care provided?	Yes
Are nursing home visits provided?	Yes
What access to specialists and other health professionals is available?	A wide range of in and out-patient specialist services are offered through the Stirling District Hospital – a local private hospital. The town is well served with allied health providers and has a local hostel and nursing home. There is the capacity to be involved in emergency and hospital work in many ways similar to a rural environment with the convenience and accessibility of city resources.
Aspects of medicine in your practice that will be a feature of registrar training	Paediatrics, minor surgery, women's health, aged care.
