Location

Description of practice location	Located approximately 25kms south of the Adelaide CBD, on Wheatsheaf Road which runs off Main South Road at Morphett Vale, situated in a middle class area.
Health and medical information about the region	The area has a varied population ranging from young families to the elderly.
Practice type and size	<p>We are a well-established, family based practice, in Morphett Vale. Our principal doctors have been practicing in the area for 25-30 years. We enjoy the relationship we have built with patients and their families over a long period of time. We have five consulting rooms, a nurse's education room and treatment room for performing minor procedures.</p> <p>We enjoy a good relationship with our practice nurses who help with chronic disease management, immunization, wound care and home health assessments.</p> <p>Our daily work is widely variable which means we are continually challenged and stimulated by our working environment.</p> <p>Our rooms have just undergone renovation and we have good quality medical equipment.</p>
